BATTLECRUISER Black

Premium panoramic gaming case
with pre-installed ARGB cooling

Features

- 4×120mm ARGB Fans Included
- Supports E-ATX / ATX / m-ATX / ITX Motherboards
- Quad Tempered Glass Panels
- High-Speed USB-C Front Connectivity
- 395mm GPU Support
- CPU Cooler Clearance: Up to 175mm

Available Colors

 Black /  White

Full manufacturer
warranty coverage

BATTLECRUISER II

Premium panoramic gaming case
with advanced airflow and high-end
cooling support

Features

- 4×120mm ARGB Fans Included
- Supports E-ATX / ATX / m-ATX / ITX Motherboards
- Supports Up To 420mm Front Radiator
- High-Speed USB-C Front Connectivity
- 395mm GPU Clearance Support
- CPU Cooler Clearance: Up to 175mm

Available Colors

 Black /  White +200EGP

Full manufacturer
warranty coverage

INVADER

Premium brushed aluminum with panoramic tempered glass design, modular airflow architecture, and clean minimalist aesthetics for modern gaming setups.

Features

- Brushed Aluminum Front Panel
- Tempered Glass Side Panel
- Optimized Airflow Design
- Supports up to 280mm Radiator
- Modular Interior Layout
- Premium Minimalist Gaming Design

Available Colors

 Black /  White

Full manufacturer
warranty coverage

INVADER X

Premium panoramic gaming case
with advanced GPU mounting and high-
airflow cooling support

Features

- 4x Reverse ARGB + 1x ARGB Fan Included
- Supports Vertical & Horizontal GPU Mounting
- Includes PCIe 4.0 Riser Cable & GPU Holder
- Supports Up To 10x120mm Fans & 360mm Radiators
- Includes 5 Pre-Installed XPG Cable Straps

Available Colors

■ Black / ■ White

Full manufacturer
warranty coverage

INVADER X Mini

Compact panoramic gaming case
with optimized airflow and flexible
hardware support

Features

- 4x Reverse ARGB + 1x ARGB Fan Included
- Supports ATX Motherboards & GPUs Up To 330mm
- Supports 240mm Radiator & 166mm CPU Air Coolers
- Removable Storage Bracket & Dual Dust Filters
- Includes 5 Pre-Installed XPG Cable Straps

Available Colors

 Black

Full manufacturer
warranty coverage

INVADER X BTF

Premium panoramic gaming case
with reverse ARGB airflow and flexible
GPU mounting support

Features

- 4x Reverse ARGB + 1x ARGB Fan Included
- Supports Vertical & Horizontal GPU Mounting
- Supports Up To 10x120mm Fans & 360mm Radiators
- Includes 5 Pre-Installed XPG Cable Straps

Available Colors

 Black /  White

Full manufacturer
warranty coverage

DEFENDER PRO

Premium airflow-focused mid-tower cases with a magnetic MESH front panel with pre-installed ARGB cooling

Features

- MESH Front Panel Design
- Tempered Glass Side Panel
- ARGB Lighting Support
- Supports Vertical GPU Installation
- Up to 360mm Radiator Support

Available Colors

 Black /  White

Full manufacturer
warranty coverage

STARKER

Compact high-airflow gaming chassis featuring tempered glass side panel, vertical GPU support, and optimized cooling layout for modern gaming builds.

Features

- Compact ATX Mid-Tower Design
- Tempered Glass Side Panel
- Supports Vertical GPU Installation
- Up to 360mm Radiator Support
- Efficient Airflow Layout
- Available in White & Black

Available Colors

 White

Full manufacturer
warranty coverage

STARKER AIR

High-airflow gaming chassis with magnetic mesh front panel, panoramic tempered glass design, and optimized cooling support for modern gaming builds.

Features

- Magnetic MESH Front Panel
- Tempered Glass Side Panel
- Supports up to 360mm Radiator
- Vertical GPU Support
- High Airflow Layout

Available Colors

 Black /  White

Full manufacturer
warranty coverage

VALOR AIR PRO

High-airflow gaming case
with panoramic tempered glass and
optimized cooling support

Features

- 4x120mm ARGB Fans Pre-Installed
- Supports E-ATX / ATX / m-ATX / ITX Motherboards
- Supports GPUs Up To 400mm & CPU Coolers Up To 167mm
- Premium Tempered Glass Side Panel
- High-Speed USB-C Front Connectivity

Available Colors

 White

Full manufacturer
warranty coverage

VALOR AIR PLUS White

High-airflow gaming case
with panoramic cooling and flexible
hardware compatibility

Features

- 4x120mm ARGB Fans Pre-Installed
- Supports ATX / m-ATX / mini-ITX & GPUs Up To 340mm
- Supports Up To 6x120mm Fans & 360mm Radiators
- Premium Tempered Glass Side Panel
- High-Airflow Magnetic Front Panel Design

XPG PROBE Series

80 PLUS Bronze certified power supply
with stable performance and compact ATX
design

Features

- 80 PLUS Bronze Certified Efficiency
- 120mm Low-Noise Cooling Fan
- 140mm Compact ATX Design
- 105°C Capacitors & Multiple Protection Systems
- Modular Cable Design

Available Models
600W / 700W

Full manufacturer
warranty coverage

XPG KYBER Series

80 PLUS Gold certified ATX 3.1 power supplies
built for stable next-generation gaming performance

Features

- 80 PLUS Bronze Certified Efficiency
- High-Quality Taiwanese Capacitors
- Next-Generation ATX 3.1 Ready
- Reliable Non-Modular Power Design

Available Models
750W / 850W

Full manufacturer
warranty coverage

XPG CORE REACTOR II VE

80 PLUS Gold certified ATX 3.0 power supplies
built for high-performance gaming systems and stable
next-gen power delivery

Features

- 80 PLUS Bronze Certified Efficiency
- Premium Taiwanese Capacitors
- Next-Generation ATX 3.0 Ready
- Fully Modular Cable Design
- Silent High-Efficiency Cooling Fan

Available Models
750W / 850W

Full manufacturer

HOW XPARTS WORKS

SIMPLE PROCESS • RELIABLE SUPPORT • BUILT FOR DEALERS

01

DEALER REQUEST

You send us your request for the products you need.

02

PRODUCT AVAILABILITY

We check real-time stock availability and confirm the products.

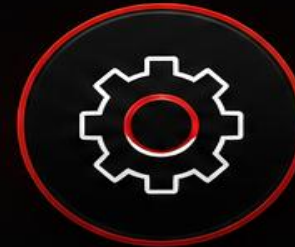

03

PRICING CONFIRMATION

We provide you with the best dealer pricing for your order.

04

ORDER PROCESSING

Your order is processed quickly and prepared with care.

05

DELIVERY SUPPORT

We ensure safe delivery and provide after-sales support.

WARRANTY PROCESS

Official warranty support on all eligible products.

AUTHORIZED DISTRIBUTION

We are an official distributor for trusted brands.

DEALER SUPPORT

Dedicated support team for all dealer inquiries.

AVAILABILITY UPDATES

Real-time stock updates and product availability.

B2B PRICING SYSTEM

Competitive dealer pricing with flexible solutions.
