NOCTUA COOLING SOLUTIONS

Premium cooling solutions engineered for silent operation, high airflow efficiency, and long-term reliability.

Updated Products • Dealer Pricing • Available Models

SILENT OPERATION
Designed for quiet builds and superior acoustics

OPTIMIZED AIRFLOW
Advanced design for efficient cooling

PREMIUM QUALITY
Engineered in Austria for excellent performance

LONG-TERM RELIABILITY
High-quality components built to last

NT-H2 3.5g AM5 Edition

Second-gen thermal compound

Features

- **Next-generation performance**
 - Further improved second generation of the NT-H1
- **Trusted Noctua quality**
 - With excellent long-term stability
- **3.5g AM5 Edition**
 - With NA-TPG1 thermal paste guard

Full manufacturer
warranty coverage

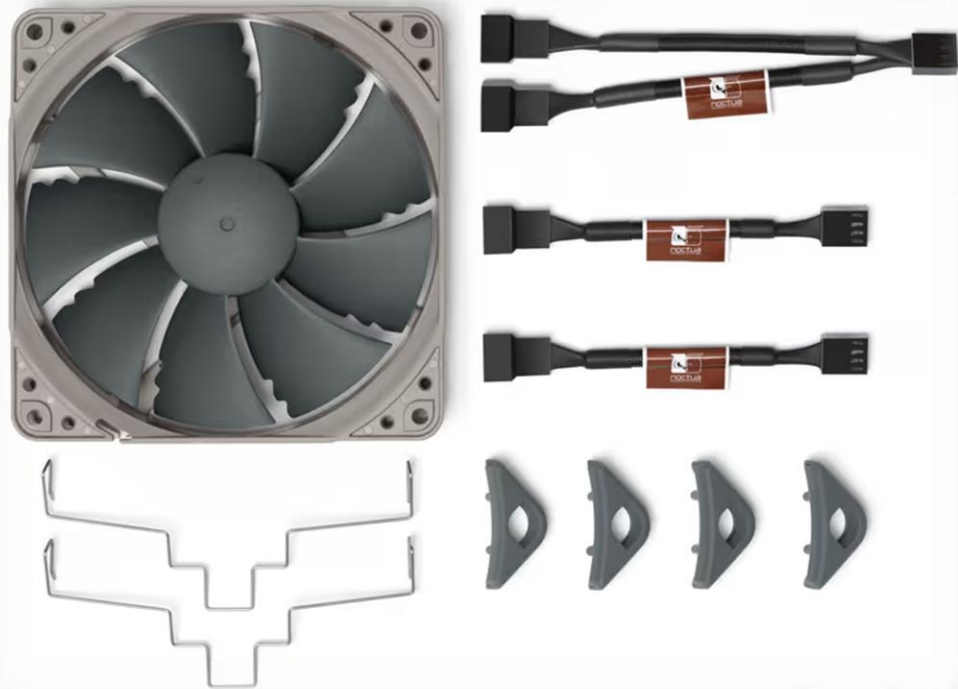

Our evolution in fan design

NA-FK1 redux second fan kit

Second fan upgrade kit

Features

- **Enhanced cooling performance**
 - Upgrades the NH-U12S redux to a push/pull dual-fan configuration for improved performance
- **High-quality NF-P12 redux-1700 PWM fan**
 - Provides massive airflow at load and runs whisper-quiet at idle
- **Complete second-fan set**
 - Includes fan, anti-vibration pads, fan mounting clips, splitter-cable & 2x Low-Noise Adaptors

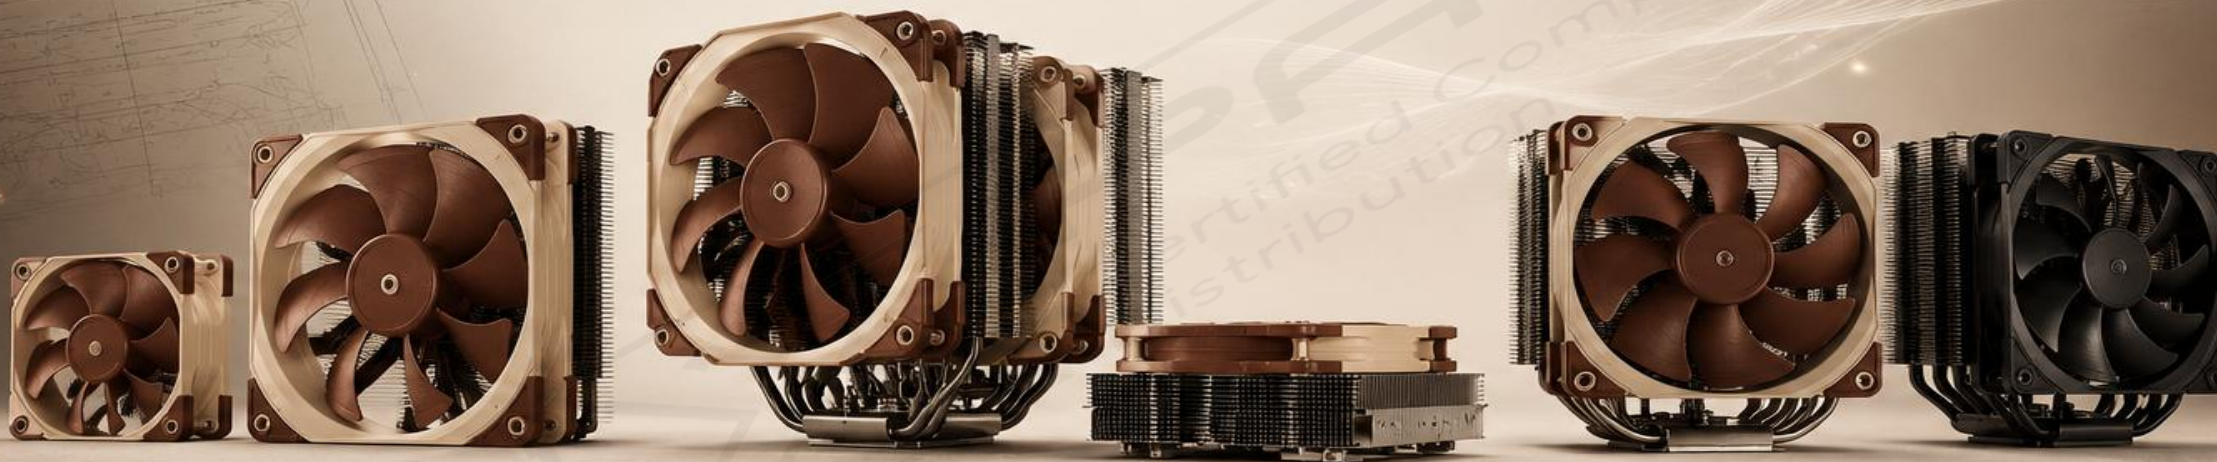

**Full manufacturer
warranty coverage**

NH-U9S chromax.black

Classic 92mm single tower cooler

Features

- **Compact single-tower design**
 - For excellent case-, RAM- and PCIe-compatibility
- **Premium NF-A9 92mm fan**
 - With PWM support and Low-Noise Adaptor
- **chromax.black edition**
 - With a black coated heatsink and chromax.black fan

Full manufacturer
warranty coverage

NH-U9S

Classic 92mm single tower cooler

Features

- **Compact single-tower design**
 - For excellent case-, RAM- and PCIe-compatibility
- **Premium NF-A9 92mm fan**
 - With PWM support and Low-Noise Adaptor
- **Low-profile 125mm height**
 - Ideal for HTPCs, ITX or Small Form Factor builds

Full manufacturer
warranty coverage

NH-U12S chromax.black

Classic 120mm single tower cooler

Features

- **Award-winning NH-U12 series**
 - Classic 120mm tower size with outstanding performance
- **Premium NF-F12 120mm fan**
 - With PWM support and Low-Noise Adaptor
- **chromax.black edition**
 - With a black coated heatsink and chromax.black fan

**Full manufacturer
warranty coverage**

NH-L9x65 chromax.black

65mm height low-profile cooler

Features

- **Compact low-profile design**
 - 65mm height for small form factor systems
- **Slim NF-A9x14 92mm fan**
 - With PWM support and Low-Noise Adaptor
- **chromax.black edition**
 - With a black coated heatsink and chromax.black fan

Full manufacturer
warranty coverage

NH-D12L chromax.black

Compact 120mm dual tower cooler

Features

- **Low-height dual-tower heatsink**
 - 145mm tall for broader case compatibility
- **Premium NF-A12x25r fan**
 - With PWM support and Low-Noise Adaptor
- **chromax.black edition**
 - With a black coated heatsink and chromax.black fan

Full manufacturer
warranty coverage

NH-U12A chromax.black

High-end 120mm single tower cooler

Features

- **140mm class performance, 120mm size**
 - Can match or even outperform many larger coolers
- **Premium NF-A12x25 fan**
 - With PWM support and Low-Noise Adaptor
- **chromax.black edition**
 - With a black coated heatsink and chromax.black fan

Full manufacturer
warranty coverage

NH-U12S DX-3647

120mm server & workstation cooler

Features

- **Award-winning NH-U12 series**
 - Classic 120mm tower size with outstanding performance
- **Premium NF-A12x25 fan**
 - With PWM support and Low-Noise Adaptor
- **Dedicated version for LGA3647**
 - For Intel Xeon Scalable & Xeon-Phi platforms

**Full manufacturer
warranty coverage**

NH-D15 chromax.black

Legendary dual tower CPU cooler

Features

- **6 heatpipe dual tower design**
 - Provides outstanding cooling performance
- **Dual NF-A15 140mm fans**
 - With PWM support and Low-Noise Adaptor
- **chromax.black edition**
 - With a black coated heatsink and chromax.black fans

Full manufacturer
warranty coverage

NH-D15

Legendary dual tower CPU cooler

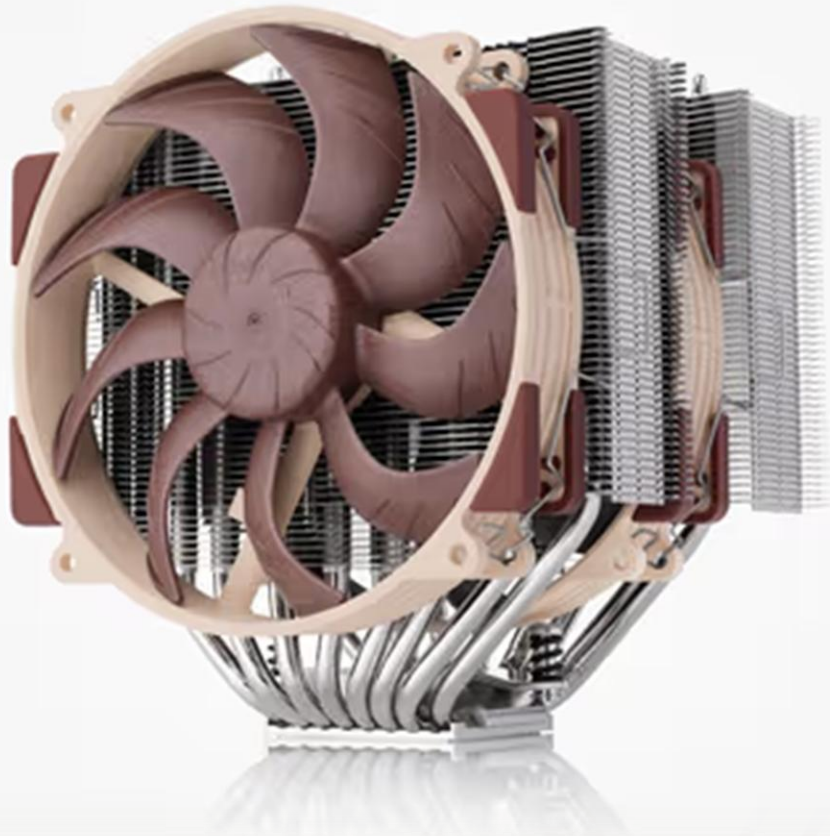

Features

- **6 heatpipe dual tower design**
 - Provides outstanding cooling performance
- **Dual NF-A15 140mm fans**
 - With PWM support and Low-Noise Adaptor
- **Renowned, award-winning model**
 - Trusted by enthusiasts and professionals for over a decade

Full manufacturer
warranty coverage

NH-D15 G2

Legendary dual tower CPU cooler

Features

- **Second generation**
 - Further improved second generation of the iconic NH-D15
- **Superior performance**
 - 8 heatpipes & 20% more surface area for higher heat-loads
- **State-of-the-art fans**
 - Dual NF-A14x25r G2 PWM fans with speed-offset

Full manufacturer
warranty coverage

NH-U12S redux

High performance CPU cooler

Features

- **Streamlined redux edition**
 - Based on the award-winning NH-U12S
- **Excellent compatibility**
 - Fits most tower cases and doesn't overhang RAM slots
- **Proven NF-P12 120mm fan**
 - 1700rpm version with PWM for automatic speed control

Full manufacturer
warranty coverage

Why Choose XPARTS

Official Authorized Distribution

Local Warranty Support

Dealer Pricing System

Consistent Stock Availability

Dedicated Dealer Support

Fast Distribution Network

B2B Hardware Supply

Your Trusted Hardware Distribution Partner

Updated Products • Dealer Pricing • Available Models

HOW XPARTS WORKS

SIMPLE PROCESS • RELIABLE SUPPORT • BUILT FOR DEALERS

01

DEALER REQUEST

You send us your request for the products you need.

02

PRODUCT AVAILABILITY

We check real-time stock availability and confirm the products.

03

PRICING CONFIRMATION

We provide you with the best dealer pricing for your order.

04

ORDER PROCESSING

Your order is processed quickly and prepared with care.

05

DELIVERY SUPPORT

We ensure safe delivery and provide after-sales support.

WARRANTY PROCESS

Official warranty support on all eligible products.

AUTHORIZED DISTRIBUTION

We are an official distributor for trusted brands.

DEALER SUPPORT

Dedicated support team for all dealer inquiries.

AVAILABILITY UPDATES

Real-time stock updates and product availability.

B2B PRICING SYSTEM

Competitive dealer pricing with flexible solutions.
